

**STALLION RESERVATION AND AGREEMENT FOR TRANSPORTED SEMEN DELIVERY  
READ CAREFULLY**

I hereby confirm my reservation to the stallion \_\_\_\_\_ Reg. # \_\_\_\_\_  
During the breeding season from Mar 1 to Aug 1, 20\_\_\_\_, if said stallion is alive, fit to breed, and standing at your farm. **NO MARE WILL BE SERVED AFTER Aug 1st.** I understand the following terms: a) A veterinary certificate and current uterine culture (taken when the mare is in heat and submitted to a recognized laboratory) showing the mare to be in sound breeding condition and free of infection is a condition of the service; b) All fees due the stallion owner must be paid before the delivery of the semen; c) A stud fee of \$\_\_\_\_\_ is also due before the delivery of the semen; d) Actual shipping charges will be billed to me following the delivery of the semen.

1. A nonrefundable booking fee of \$200 must be returned with this signed contract and a copy of the mare's Certificate of Registration. The stallion owner/breeding manager will sign and return a copy by mail.

2. All requests for semen shipments shall be filled as received, subject to availability of semen. If there is insufficient semen to fill all orders on a given day, Win Gait Stables will determine which orders will be honored. This decision will be based on information provided by the mare owner's veterinarian. Win Gait Stables is not responsible for lost, delayed or otherwise damaged semen and makes no representations or warranties of any kind except that it is the semen of the named stallion, and that it was viable when it left Win Gait Stables. Each shipment of semen will cost \$200 for collection plus the actual cost of shipping to the mare owner's specified address.

3. I understand I have free return privileges for the same mare if the mare is examined by a licensed veterinarian and found to be barren at 55 days from the date of the last service. If for any reason the mare is determined by a licensed veterinarian to be unable to conceive, I shall be able to substitute another mare. This privilege shall expire two years from the date of the first service to the mare named below.

4. Should the mare not produce a live foal that stands and sucks, I shall also be entitled to a return breeding. This privilege shall apply only if the stallion manager/owner is notified by registered mail within 48 hours of the foal's death. A statement of details by a licensed veterinarian must follow within 10 days or the privilege becomes null and void.

5. I understand that any return privileges are conditional upon my payment of the then current booking fee and all other normal charges (except the stud fee) and upon the stallion being alive, fit to breed and standing at your farm. You may provide a comparable alternate stallion if one is available, however, I will not be due a refund of any fees paid after completion of the first service to the mare named below. The proper venue for the resolution of any disputes under this agreement shall be Jefferson County, Kentucky and the law of the Commonwealth of Kentucky shall govern the construction and interpretation of this agreement.

6. I understand that I shall assume all responsibility for the condition of the mare and shall bear all risk of loss or damage to the mare whether by death, disease, injury, infection or otherwise, and by any cause whatsoever, and therefore agree to hold the stallion manager and/or owner (or any person employed by or associated with the stallion manager and/or owner) harmless for any and all damages associated therewith.
